

DETOUR NEAR HORSE COMPLEX

There is a tunnel being built under Trinity Road for Stadium and Fair goers. As a result, there is a slight detour that will only affect those of you traveling on Blue Ridge Road. If you come down Blue Ridge Road, do not turn onto Trinity Road to go to the horse complex. Instead continue on Blue Ridge to the big intersection at Hillsboro Street, about one block. Turn right onto Hillsboro Street and then take the first right onto Youth Center Road. Go to the end of Youth Center Road and turn left. Now enter the horse complex as you normally would. It's not a big change, you just have to go around the block.

If entering from any other direction nothing has changed.
